## Mission Opportunities

**Food Pantry:** The food pantry on the east side of the church is in need of food. Please help us keep it full!

## Sumner County Community Kitchen

Our church is happy to announce and partner with Sumner County Community Kitchen (SCCK), a new non-profit in the works in our community. This will be a teaching kitchen focused on serving and encouraging families through hospitality. The March series of four (4) weekly classes is full with 10 families being registered. The Feb and March classes have been offered free of charge as we learn together what the continual need is for meal preparation in our community.

Sumner County Community Kitchen is in need of four volunteers for the March classes. These volunteers will serve as family guides and each be assigned to two families. Please call Brenda Stewart (620-440-0830) if you are interested in volunteering.

**Our deepest sympathy** is extended to Laura Rettig upon the unexpected passing of her brother, Richard Rettig. Richard passed away on Sunday, February 21. Services were held here on Friday, February, 26.
